

Setting the Standard in Digital Media Systems

Flat TVs

ETR innovated graphical based Media Management solutions and pioneered the evolution of Digital Media Systems, so it makes sense to turn to us when considering Media Management, Digital Video Servers, and Video Display Systems. We've set the standard for technology innovation and raised the bar on customer satisfaction.

ETR is the industry leader in:

- **Video On Demand**
- **Digital Video Servers**
- **MPEG Video Content**
- **Video Paging Systems**
- **Network Controlled Projectors, Plasmas and LCD Displays**

Digital Video Servers

Call today to find out how we can leverage our experience to deliver a Digital Media System designed to meet your needs!
